# Overview

**A**genda Communications and Conference Services act as Core Professional Conference Organiser and provides Association Management Services to The European Society of Cornea and Ocular Surface Disease Specialists (EuCornea). The 11th EuCornea Virtual Congress took place on 26th September 2020. It was held online for over 300 delegates and 150 scientific abstracts were submitted for inclusion in the conference programme.

The one-day virtual congress consisted of 6 pre-recorded scientific sessions, each followed by a live Q&A. The programme also included an industry sponsored educational symposium, presented posters and case presentation sessions and surgical skills training courses. The virtual congress has been made available on-demand until December 2020.
